Giving Godiva

THE PERFECT CHOICE FOR ALL YOUR BUSINESS GIFT-GIVING NEEDS

For 85 years, we have been pleased to provide you with an exceptional array of corporate gifts. A gift of Godiva reflects your commitment to quality and good taste, and leaves a lasting impression on all who receive it.

Original Godiva boutique in Brussels

Our Belgian tradition is rooted in deliciously complex, yet always balanced notes of super-premium chocolate and other ingredients to delight all of your senses. Unlike fine chocolatiers in other countries who strive for concise, straightforward interpretations, we Belgians like to think of our creations as classics with a little 'twist'. This has been our vision since creating our first chocolates in Brussels in 1926.
